### FINISH THE FIGHT

The legendary trilogy comes to a stunning conclusion

SHARE

The epic saga continues with Halo 3 as Master Chief returns to finish the fight, bringing the conflict between the Covenant, the Flood, and the entire human race to a dramatic, pulse-pounding climax.

Halo 3 is the concluding chapter in the Halo trilogy—an international award-winning action series that grew into a global entertainment phenomenon, selling more than 14.5 million games worldwide, logging more than 650 million hours of multiplayer action on Xbox LIVE.
